Charles Would Like \$10,000 Berth on the Trade Commission.

ONE OF FEW FAITHFUL

WASHINGTON, Dec. 5 .- The name of Charles Bryan, brother of Secretary of many friends. His letter follows: of the Government of the United States. "Brother Charles' is said to be anxious Trade Commission. In quarters close to Brother Charles has strong support for

William J. Bryan was a candidate for the Presidency, Charles Bryan had to content himself with a minor STANDARD OIL SHIP IS place in the national headquarters of the

It now develops that Brother Charley has got the notion that he has merits of his own that should be recognized and an appeal has been made in his behalf, it was said to-day, for an appointment to aces each pay \$10,000 a year and Charles Bryan would have one of them.

is known that President Wilson working hard these days on Federal Trade Commission appointments. This commis-sion under the authority of Congress is to be composed of five members. The President has decided that in making up this commission he will appoint two law-yers, two business men and an economist. Bryan has studied law, y that he could hardly qualify clared the ship to be a German, and maker member of the commission condemned her "as a good and lawful they suggest that he might be prize." The State Deparament probably prize." friends say that he could hardly qualify as a lawyer member of the commission. amed as a business man or as an economist, just as the President chooses.

Whether are successful the ship will be sold at is rule will be applied to Brother Bill auction.

She is a spiendid, new vessel, worth perhaps half a million dollars. She lies rother Charles, remains to be seen.

Brother Charles is one of the few originary who made the welkin auction.

She is a spiendid, new vessel, worth perhaps half a million dollars. She lies now in the harbor of Hamilton under guard, while her crew of forty-two men are prisoners of war, camped on one of the small islands in the harbor, where
